

BUCKEYE

Graduation & Honors Celebration

June 5th - first for Lima campus

June 1994
Vol. 1, Issue 4

Nearly 200 OSU-Lima students will be recognized Sunday, June 5th at 1:30 p.m. in Reed Hall Auditorium at the First Annual Convocation on the Lima campus to celebrate locally the achievements of our graduates and honors students. This new tradition is welcomed for many reasons:

1. It provides recognition for students on the campus where they completed their studies.
2. It enables Lima campus students to celebrate locally with their families and friends.
3. It builds a strong sense of commitment from OSU graduates to the Lima campus.
4. It publicizes locally the contributions that Ohio State Lima makes to higher education throughout West Central Ohio.

Yes, there is one Graduation. That takes place in Columbus, June 10th. But for those students who can't or won't travel to Columbus the Lima campus celebration will provide a very different but complimentary experience. (There is nothing quite like the thrills and chills of St. John Arena on Graduation Day. Then again, not everybody can make it.)

Sunday's event includes musical selections by harpist Chilali Hugo and The Lima Campus Chorus, under the direction of Dr. Richard Mallonee. Dean Violet Meek will preside. A formal academic processional will open and close the ceremonies, accompanied by concert pianist, Barbara Young.

One hundred and fifty associate, bachelor's and master's candidates will receive Certificates of Recognition. Twenty two current students will be recognized with academic awards. And three scholarships will be presented. These scholarships are supported by gifts to the Ohio State Lima Faculty/Staff Scholarship Fund. They will be given in memory of Dr. Al Anderson, assistant professor of education and Dr. John Hevener, associate professor of history.

Dr. Nancy Zimpher, dean of the school of education will give the convocation address. Dr. Jan Osborn, superintendent of Putnam County Schools will receive The Ohio State University at Lima Distinguished Alumni Award, the first to be presented by Ohio State Lima. A reception for friends and family members will follow the awards ceremony on the Reed Hall Patio. Ayers Photography will record photo mementos of the occasion.

*This is the final issue of The Buckeye, Vol. I.
We will return in September with Vol. II.*

*Have a great summer
See you in the fall!*

Citizens Advisory Council ushers in new board

After 34 years of outstanding service to the Lima Campus, the Citizens Advisory Council, as we know it, is bidding us adieu. This outstanding group of community leaders and elders has served the campus proudly for three decades, donating hundreds of hours of community service to promote Ohio State Lima throughout West Central Ohio and further the interests of higher education in this community.

At their last scheduled meeting in May, members of the Council nominated a Transition Committee whose responsibility is to smooth the transition to The Ohio State Lima Board of Trustees, this fall.

The new board will draw its authority and report directly to the University's Board of Trustees in Columbus. Documents detailing the structure and responsibility of the new group are currently before the Columbus board and are expected to be passed over the summer. The new board is a direct outgrowth of the communities refusal to allow the Lima Campus to become a community college and the community's desire for more direct local input.

We salute the current members of the 1994 Citizens Advisory Council for their dedication and commitment to Ohio State Lima. They and the counties they represent are:

Allen County - Thomas Francis; Daniel Fuhrman; Donald Knowles; John Leahy; Faith Lee; Jaye McCain; Rev. Wes Runk; Harry Shutt; William Timmermeister; Auglaize County - Jay Elshoff; Bob Wiesenmayer; Hardin County - Howard Watkins; Ora Winzenried; Putnam County - Verena Brinkman; Jed Osborn; Larry Ward; and Van Wert County - George Brooks.

Do not discard, please!

Fun-raising Campus Campaign

Countdown to June 10th. Not just the end of the school year, but the finale of another successful Lima campus campaign.

The Development Office thanks you for your gift and asks that those who have not yet made their commitment do so before the end of the quarter.

Last year we went from last to first position within the university. Our goal this year was to retain that #1 position. We can do this if we can meet or beat our 81% participation that we attained last year. That means if all those remaining pledged one dollar a month, we could do it. Then again, some might wish to pledge a little more than that, given that the leading faculty/staff gift this year is \$600 and the mode, the value that appears most frequently, is \$120. Either way, we need to raise \$1001 to meet our dollar goal. You should know, Dookie has pledged the \$1.

Please help in whatever way you can. Your participation is more important than the size of your donation.

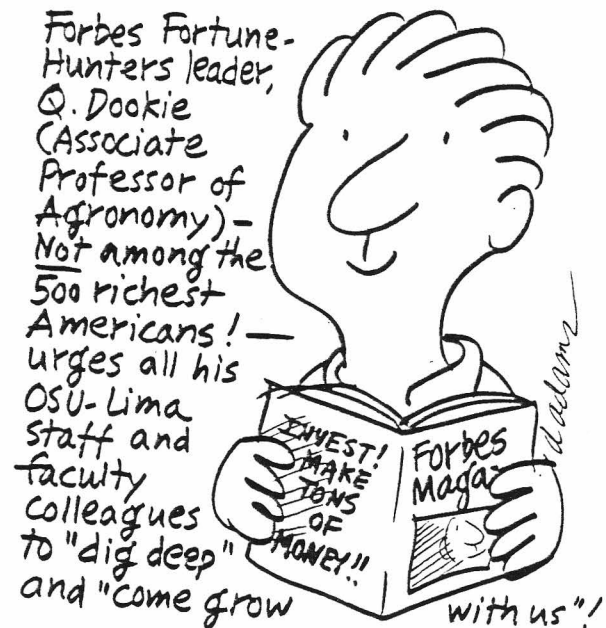

Two weeks from post time and Lima campus faculty & staff gear up for a great giving frenzy

At last tally, the Mellon Moneymakers (Business & related offices) were leading the pack at 137% of dollar goal and 100% participation. Looks like the Carnegie Collectors are not! Come on you mathematicians. Let's get out those bean counters. This is no theory. This is practical stuff. Sign that pledge card, please. **Lima campus needs you!**

Fun-raising Teams	% Participation	% \$ Goal
Astor Accumulators	64	98
Carnegie Collectors	45	29
Forbes Fortune Hunters	63	75
Ford Financiers	64	88
Getty Givers	64	121
Kennedy Cashiers	55	101
Mellon Moneymakers	100	130
Perot Pushers	60	70
Robin Hood Raiders	42	64
Rockefeller Raisers	64	85
Sears Savers	57	81
Campus Total	60	92

*If you're not in.
You can't win!*

The 1994 Campus Campaign will wrap up June 10th with the announcement of the \$100 Faculty/Staff Scholarship Winner. You have until June 3rd at 5 p.m. to turn in your completed application form detailing a seminar or course of your choice. Just tell us why it's important for your job that you attend and what Ohio State Lima will gain from your participation on your return. This once-off promotion is not designed to supplement faculty academic travel grants. Rather, we're looking for someone with a good idea whose participation in the seminar or conference is going to make a difference to campus and student life! Staff, don't be shy. Let's hear your ideas. Just think of it--a day off over the summer to attend the conference or course of your choice. You'll kick yourself if you lose this opportunity.

(Q. Dookie hopes he wins the 1994 Campus Campaign Contest. He would like to attend a seminar on money management)

Security reminder

In view of the recent thefts from offices on campus, the Security Office would like to take this opportunity to remind everyone to store valuables in safe, locked locations. Doors to offices, labs, and classrooms should also be locked when not occupied.

By employing locks, we create a substantial risk of detection for the average thief. It takes time to defeat a good lock. Locks may not deter a determined thief, but they will certainly cause most to bypass a locked door in favor of an unlocked one. Don't be an easy target.

Let's secure our valuables and lock our doors to discourage theft.

If you should observe suspicious activity, please notify Campus Security (Ext. 499) as soon as possible. Please don't wait because you are in doubt. Let us check it out. Your timely call to Security may prevent a crime.

Faculty/staff town meeting OSU benefits, June 2

New Directions in University Benefits is the topic for a meeting being held June 2, 1994, 1:00 P.M. in Reed Hall, Room 160. Larry Lewellen from the Columbus Office of Human Resources will be reporting on:

1. Health Care Advisory Committee recommendations.
2. Prime Care - Our new core health plan.
3. New benefits improvements.
4. Questions and Answers.

Plan to attend and hear first hand about these important changes and discuss your concerns. This meeting is in addition to the Benefits Open Forum held on May 18 and should last approximately 1-1/2 hours.

Wyandot Lake
Ohio State University Day
Saturday, June 18,
10:00 AM - 9:00 PM

Tickets go on sale beginning June 1. Prices are \$6.00 in advance, \$8.00 at the gate (includes meal). Regular admissions is \$12.94 so this is a \$4.95-6.95 per person savings. Ticket price includes admission to Wyandot Lake, a meal - your choice of a hamburger or 2 pieces of chicken, plus cole slaw and potato chips, soft drinks, and entertainment throughout the day. Choice of meat item is based on availability at time of service. For more information call 292-4747 or you may purchase tickets from Jan Johnson in the Administration Building, Room 208.

Lima Campus

Spring Choral Concert

June 1994

Friday, June 3

Auditorium - 8:00 PM

Free and Open to the Public

Football tickets for away games

Nov. 12	Indiana	\$23.00

Current I.D. cards are necessary and a special order card must be completed. They may be paid for through the Athletic Ticket Office. For more information, call 1-800-GO BUCKS, or (614) 292-2624.

Student leaders recognized

Emerging Student Leader, Shonda Craft and Distinguished Student Leader, Mindy McPherson were recently honored at the annual Student Leader Reception held May 31.

Each has demonstrated outstanding leadership within campus student organizations. The award carries a monetary consideration as well.

Six University Scholars complete freshman year on the Lima campus

Six university scholars are wrapping up their freshman year of study on the Lima campus. This is the largest number of university scholars ever for Lima. The designation of *University Scholar* is based on class rank, ACT scores and GPAs. Recipients receive a \$1000 scholarship for four years, provided they maintain a 3.4 cumulative grade point average.

Already several of these scholars are showing signs of exceptional performance both in the classroom and in student life. Shonda Craft is this year's recipient of the Emerging Student Leader Award; Jerry Brown and Mark Mosely will share the academic award in Chemistry; and Mark Mosely will also be recognized with the academic award in mathematics. OSU-Lima is proud to have these talented young people on campus.

University Scholar	High School	Major
Israel Gibson, Cridersville	Perry	Education
Adam Ferguson, Ada	Ada	Pre Med
Mark Mosley, Lima	Bath	Biochemistry
Shonda Craft, Lima	Elida	Psychology
Darcey Rode, Lima	Elida	Arts
Gerald Brown, St. Marys	St. Marys	Molecular
	Memorial	Genetics

Congratulations to Kevin Smith Records Management Recipient of the 1994 Excellence in Support Services Award
